

Lunar New Year Sing-Along

"Cup of Noodles" by No-No Boy

Mom bought firecrackers at the grocery
Soon it will be new years
Won't you sign up for the lion dance with me
You're my cup of noodles

We practice every night til 630 in the cafeteria
Hey, watch out where you're going cuz I can't see!
You're my cup of noodles

Pulling on our costumes for the final show
Lions must walk proudly
Our families sit together in the second row
You're my cup of noodles

Oh God! It's happening!
Did we just fall on the floor?
I can't stop laughing
Let's crawl over to that door

Hide out in the kitchen in our lion tent
Slurpin' up some noodles
And I know we're always gonna be best friends
You're my cup of noodles
