

ZODIAC WHEEL CRAFT

新年快乐，xin nian kuai le, happy new year!

Let's make a zodiac wheel!

You'll need:

- this sheet of paper
- two paper plates
- glue stick
- scissors
- pencil or pen
- paper fastener or brad
- marker (optional)

INSTRUCTIONS:

1. Cut out the wheel below.
2. Glue it onto the middle of a paper plate.
3. Cut out the wheel again!
4. Place the wheel on top of the middle of a new plate.
5. Poke a pencil or pen through the middle of both plates.
6. Poke a paper fastener through the hole and bend the ends.
7. Make sure the wheel spins!
8. Write the names of each animal on the rim of the plate, so that you can spin the wheel to match each picture with the right name.
9. All done!
10. **BONUS:** You can also make an arrow out of cardboard and poke a hole through it so it spins and points to different years.
