

FEED YOUR OWN VERY HUNGRY CATERPILLAR

YOU'LL NEED:

- caterpillar template
- scissors
- fruit pieces printout
- glue
- tape (optional)

1. Cut out your caterpillar.
2. Cut out your fruit pieces and layer them on top of your caterpillar. Use a glue stick to keep them in place.
3. You can arrange them however you want! Feel free to print and cut out more fruit if you need more.
4. All done! Your hungry caterpillar is now full :)
