let's make a

JADE RABBIT
MOON VIEWER!

you'll need:

- a paper tube
- a cotton ball
- glue or tape
- scissors
- green paper

(or white paper and something green to color with!)

STEPS:

1. Cut out 2 teardrop-shaped ears.
2. Cut your paper to the size you want, then tape or glue it to the paper tube. You can also shorten the tube!
3. Bend the bottom of the ears, then tape or glue them in place.
4. Glue on your cotton ball tail.
5. All done! Go look at the moon!
